

VALIDATED

DIGITAL

ENTERPRISE

The Hungarian Government, within the frame of the Digital Success Programme, accepted the Digital Export Development Strategy (DEDS) of Hungary with the 1491/2016. (IX. 15.) Gov. decree, which aims to increase the export of digital products of high added value intensively. The main goal of the DEDS is to support the appearance of digital solutions complying with the aspects set in the strategy in foreign markets.

Based on the above the digital solution

SkyDreamCam

of

Webgarden Ltd.

met the validation requirements of the Digital Success Programme. The validation process examined legal, financial, and technical aspects.

The certificate is valid for 1 year from the date of issue.

Budapest, 07. 02. 2022.
